Reference: Professional recommendation
for Extreme Works Ltd Company

To whom it may concern

This letter is written to provide a recommendation for Extreme Works Ltd Company.

We invited the company to carry out roofing works and sealing of inter-panel seams. We have a pleasure to note that Extreme Works Ltd has experience with working at height in the field of high complexity. During the cooperation, the company's employees have shown professionalism, creativity and efficiency in carrying out the assigned tasks.

We confirm that Extreme Works Ltd provides the service on a highly professional level.
